Dear Potential Grant Recipient:

The WLS Foundation is pleased to announce that it will, once again, award grants to nonprofit community organizations supporting women and children in the Sacramento area.

We are seeking grant proposals for specific projects in these identified areas. In 500 words or less, describe your organization's mission, its activities in the Sacramento community relative to one or more of the five categories described above, and describe how the organization would utilize a WLS Foundation Grant to further the organization's purpose. Alternatively, your organization may submit published materials in lieu of preparing a description of your organization's mission and its activities.
